

DELAWARE and LEHIGH CANALS

*A Pictorial History of the
Delaware and Lehigh Canals
National Heritage Corridor in Pennsylvania*

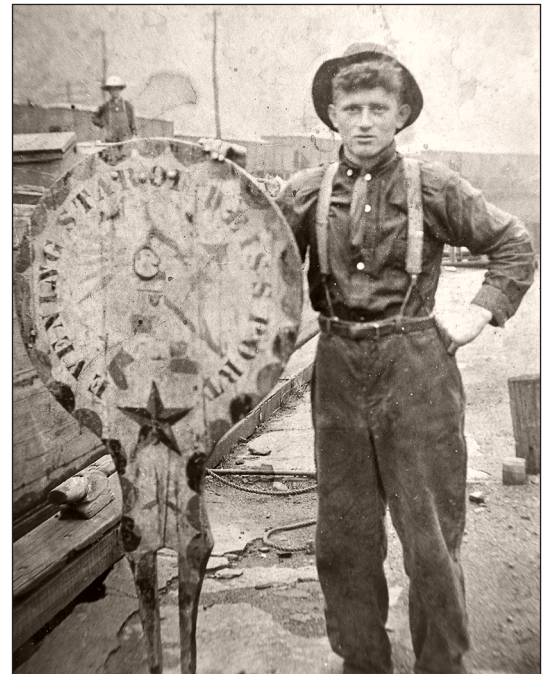

This book is much more than a history lesson in pictures. It is a wonderful memento of your visit to the National Canal Museum and your ride on the Josiah White II in Hugh Moore Park.

*The book that tells the story of the
Lehigh Navigation and the
Delaware Division Canal.*

Take a trip up the canals from Bristol in Bucks County all the way to Carbon County as if you were traveling on a canal boat. Hundreds of early photographs with captions and maps tell what it was like to work and live on a canal boat or along the canals in the days when hard coal was as important as oil is today.
